___ I understand that my child/children **MUST** be able to apply sunscreen and dress **THEMSELVES** in the event it is needed. *(VIRTUS trained adults will be on hand in an emergency only. A letter must accompany the sunscreen and left for the duration of camp with the First Aid Table.)*

A note from Jess Otto, VBS Director, regarding Friend Requests:

- Requests are limited to no more than 2
- Requests **MUST** be in the same grade as your child *currently*
- Requests are honored at my discretion and to the best of my ability
- Requests **MUST** be mutually made
- “Crews” are made up of a mix of Boys/Girls, Catholic/Public Schools, Parishioners/Visiting, and as close to an “even” number as possible
- Assignments are for attendance and for arrival/dismissal purposes. Grade levels travel together in rotations all day.
(With that being said, if they are not seated at the same table for arrival/dismissal, campers see one another in rotations all day!!)
- In the event your request cannot be honored, I ask you, please help myself and the team, to encourage your camper to try it out. I personally make the crew assignments, by hand, at the end of June. Once the crews are made it is **VERY** difficult to move people around.

Thank you for your help!

Jess
